BRIEF SUMMARY

Passionate about leveraging problem-solving skills to create innovative software solutions, I am dedicated to optimizing processes, enhancing user experiences, and delivering high-quality results. I thrive in collaborative environments, bringing a proactive and analytical approach to challenges while continuously expanding my technical expertise.

Adaptable and detail-oriented software developer with strong front-end expertise in ReactJS, Redux, TailwindCSS, and modern JavaScript frameworks. Backed by a solid grasp of programming fundamentals, I quickly master new languages and technologies. Experienced in delivering responsive, user-focused applications through internships and real-world projects, with a commitment to clean code, scalability, and innovation.

KEY EXPERTISE

ReactJS Javascript Redux NodeJS Python C C++ MongoDB MySQL Data Structures Bootstrap
