

# Vaibhav Shrivastava

Junior Frontend Developer

Email: [vaibhav2000804@gmail.com](mailto:vaibhav2000804@gmail.com) | Contact: +91 8957773009 | [LinkedIn](#)

## Professional Summary

Frontend Developer with hands-on experience in **frontend development, responsive web design, and web application development** using **HTML, CSS, JavaScript, and React**. Skilled in translating **UI/UX designs into scalable, high-performance interfaces**, collaborating with backend teams for **REST API integration**, and contributing across the **software development lifecycle**. Experienced in **testing, debugging, performance optimization**, and working in **fast-paced, agile environments**.

## Technical Skills

- Frontend Development: HTML, CSS, JavaScript, React
- Responsive Web Design: Mobile-first design, Cross-browser compatibility
- UI/UX: Translating designs into functional interfaces
- Web Development: Frontend and Backend Web Development
- APIs: REST API integration
- Databases: MySQL, MongoDB
- Software Development: Agile methodology, SDLC, Testing, Debugging, Code Review
- Tools: Git, Version Control

## Work Experience

### Front End Developer Intern | Alphawizz Pvt Ltd | May 2025 – Jul 2025

- Developed **responsive web interfaces** using **HTML, CSS, JavaScript, and React**.
- Translated **UI/UX designs** into functional frontend components.
- Collaborated with **backend developers to integrate REST APIs** and ensure seamless data flow.
- Wrote **clean, scalable, and maintainable frontend code** following best practices.
- Optimized frontend components for **performance and cross-browser compatibility**.
- Participated in **software development lifecycle**, including development, testing, debugging, and documentation.
- Conducted **frontend testing**, debugging, and issue resolution.
- Actively contributed to **code reviews** and followed **Git-based version control workflows**.
- Worked in a **fast-paced, collaborative development environment**.

## Projects

### VBookZ – Online Book Store

- Built a **responsive web application** using **React and Redux**.
- Implemented **API integration** to fetch and manage dynamic content.
- Designed **user-friendly UI components** aligned with **UI/UX principles**.
- Optimized application for **performance and scalability**.
- Ensured **cross-browser compatibility** and error handling.

### VTest – Quiz Website

- Developed a **full-stack web application** using **JavaScript, Express, and MongoDB**.
- Implemented **frontend validation, authentication, and testing logic**.
- Collaborated across the **software development lifecycle** from design to deployment.
- Debugged and optimized application functionality for reliability and performance.

## Education

Bachelor's in Technology in Computer Science and Engineering

Medicaps University, 2022-2026
